

## Women as Well as Men Are Made Miserable by Kidney and Bladder Trouble.

Kidney trouble preys upon the mind, discourages and lessens ambition; beauty, vigor and cheerfulness soon disappear when the kidneys are out of order or diseased.

Kidney trouble has become so prevalent that it is not uncommon for a child to be born afflicted with weak kidneys. If the child urinates too often, if the urine scalds the flesh, or if, when the child reaches an age when it should be able to control the passage, it is yet afflicted with bed-wetting, depend upon it, the cause of the difficulty is kidney trouble, and the first step should be towards the treatment of these important organs. This unpleasant trouble is due to a diseased condition of the kidneys and bladder and not to a habit as most people suppose.

Women as well as men are made miserable with kidney and bladder trouble, and both need the same great remedy. The mild and the immediate effect of **Swamp-Root** is soon realized. It is sold by druggists, in fifty-cent and one-dollar size bottles. You may have a sample bottle by mail free, also a pamphlet telling all about Swamp-Root, including many of the thousands of testimonial letters received from sufferers cured. In writing Dr. Kilmer & Co., Binghamton, N. Y., be sure and mention this paper. Don't make any mistake, but remember the name, Swamp-Root, Dr. Kilmer's Swamp-Root, and the address, Binghamton, N. Y., on every bottle.

A motion was then put and carried instructing the Solicitor to bring the proper proceedings for the enforcement of this ordinance or the vacating of the bridge by the traction company.

## Obituary.

Cornelius O'Brien died at his late home on Spring street Friday afternoon, July 26, at 5:35 o'clock of paralysis, aged 78 years.

The deceased was born in Tipperary county, Ireland, in 1829 and came to America in 1848; was married May 8, 1853, at Newark, N. Y., to Miss Louisa Bryant. They came to Ohio in 1854 and settled at Dayton, soon afterward moving to Darke county and settled near Baker's Store, where he lived until 1870, when he sold his farm there and bought and cleared the old homestead on the Ft. Jefferson pike, selling a part to the fair board which now comprises the west side of the fair grounds.

He was a contractor of public work, and in his days of activity did more of this work, perhaps, than any other man in the county. He succeeded in accumulating considerable means, but his easy, generous disposition prevented him from retaining the greater part of it. No man would come quicker or more generously to the aid of a friend in distress than Cornelius O'Brien. He was a patriot in every sense, and no friend's honor or credit dared be assailed in his presence without defense.

He was always strong and hearty, until several weeks ago he was taken down with catarrhal fever, and was improving, when he was stricken with paralysis Sunday morning, which caused his death. He was conscious until the last, and his wife and children were with him to the end. He was the father of eleven children, two of whom died in infancy. His wife died January 17, 1889, since which time he has made his home with his children until February 14, 1907, when he was married to Mrs. Hannah Keppler, of Brookville, O., and moved to his home on Spring street, where he died. He was a kind and indulgent husband and father.

He leaves a wife, nine children, fifteen grand-children, three sisters, one brother, and a host of other relatives and friends.

Card of Thanks.—The widow and children return their sincere thanks to neighbors and friends for kindness shown during the illness and burial of our loving husband and father.

RESOLUTION OF RESPECT.  
Headquarters Jobs Post, No. 157, G. A. R.  
Greenville, Ohio, July 29, 1907

Once again we are assembled to pay our last tribute of respect to one of our number. Comrade Cornelius O'Brien was born in Tipperary county, Ireland, in 1829, came to America in 1848. His principal occupation was farming and contracting. In 1864 when his adopted country called for volunteers to defend the American flag he enlisted in Company I, 152nd O. V. I. Was with his regiment in the memorable Hunter's raid in Shenandoah Valley; was at Martinsburg, near Lynchburg, Beverly and Cumberland; mustered out with the regiment at Camp Dennison, Ohio, Sept. 2, 1864; joined Jobs Post by muster May 26, 1882; died at

his late home on Spring street, Greenville, Ohio, July 26, 1907.

Therefore, be it resolved, That in the death of Comrade O'Brien Jobs Post lost a faithful and patriotic member, always ready and willing to do his part; the family, a kind husband and father; the community, an obliging neighbor and friend.

Be it further resolved, As a mark of respect and to keep in memory the generous sacrifices he made for his adopted country, these resolutions be spread on the minutes of Jobs Post and a copy be handed to the family.

B. F. WENGER,  
SAMUEL HARNISH,  
Committee.
